

UNITED STATES BANKRUPTCY COURT
Eastern District of Michigan

ELECTRONIC BANKRUPTCY NOTICING NOW AVAILABLE

The United States Bankruptcy Court for the Eastern District of Michigan, is now offering a new way for practitioners and creditors to receive their bankruptcy notices from the court. Parties may now choose to receive overnight bankruptcy notices via Internet e-mail or transmitted as a fax to their office. Electronic noticing will provide notices days faster than the U.S. Mail.

Should you elect the Internet e-mail alternative, your e-mail provider must provide a Delivery Service Notification (DSN) receipt to confirm that the notice was properly delivered to your e-mail account. The notice will be attached to the message as a file in Adobe's Portable Document Format (PDF). A free PDF reader plug-in is available from Adobe's web site.

Please visit the Electronic Bankruptcy Noticing web page at www.EBNuscourts.com for detailed information about the new free electronic noticing service including a list of known DSN complaint e-mail providers, the *Electronic Noticing Implementation Guide* and *Electronic Bankruptcy Noticing Questions and Answers*. **An *Electronic Bankruptcy Noticing Agreement* must be signed and returned to the Bankruptcy Noticing Center to initiate this service.**

Your participation in the free electronic bankruptcy noticing program is encouraged, since we believe it will offer many benefits to you and the court. If you choose not to participate, you will continue to receive printed bankruptcy notices in the mail, just as you do now.

For complete electronic noticing information, visit the electronic noticing web page at www.EBNuscourts.com or call the Bankruptcy Noticing Center toll-free at 1-877-837-3424 for free technical support. Also, do not hesitate to contact the Clerk's Office Electronic Noticing Coordinator, Ms. Bonnie L. White, Chief Deputy, at 313-234-0068 for a copy of an *Electronic Bankruptcy Noticing Agreement*.
